The German Shepherd Dog In Word And Picture By V. Stephanitz

Originally published in Germany in 1923. This is the English edition translated by J. Schwabacher. Probably the most important book ever published on this popular breed. The illustrated contents include: The Shepherd dog and Herdsman's dog, their Origin and Relationship – The Nature and Service of the Shepherd Dog – Breeding – Rearing – Judging – Training – Kennels – etc. Many of the earliest dog books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Vintage Dog Books are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.
