Who Cut the Cheese? (Doctor Proctor's Fart Powder) By Jo Nesbo

“Large helpings of whimsy, humorous black-and-white illustrations, and the occasional fart joke provide plenty of silliness” (*Booklist*) in the third Doctor Proctor adventure from *New York Times* bestselling author Jo Nesbø.

Nilly, Lisa, and Doctor Proctor are too busy inventing things to watch TV, and everyone says they’re missing out on the hot singing competition. But then Nilly and Lisa notice that their friends and family are acting really weird. And the only people acting weird...are the ones watching TV.

What’s going on is WAY bigger than a singing competition. It could mean the end of the world.

Or a silent but deadly could save everything!

Let ’er rip.

Editorial Review

Users Review

From reader reviews:

Anna Maday:

In other case, little men and women like to read book Who Cut the Cheese? (Doctor Proctor's Fart Powder). You can choose the best book if you'd prefer reading a book. As long as we know about how is important the book Who Cut the Cheese? (Doctor Proctor's Fart Powder). You can add knowledge and of course you can around the world with a book. Absolutely right, mainly because from book you can realize everything! From your country until eventually foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we are able to open a book or searching by internet device. It is called e-book. You should use it when you feel bored to go to the library. Let's learn.

Jon Farris:

As people who live in often the modest era should be update about what going on or data even knowledge to make these keep up with the era which is always change and progress. Some of you maybe can update themselves by reading books. It is a good choice to suit your needs but the problems coming to you is you don't know what one you should start with. This Who Cut the Cheese? (Doctor Proctor's Fart Powder) is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Lorenzo McAvoy:

People live in this new day time of lifestyle always try to and must have the extra time or they will get wide range of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely yes. People is human not just a robot. Then we inquire again, what kind of activity do you have when the spare time coming to you of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, typically the book you have read is actually Who Cut the Cheese? (Doctor Proctor's Fart Powder).

Heidi Crenshaw:

What is your hobby? Have you heard that will question when you got students? We believe that that question was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person including reading or as reading through become their hobby. You need to know that reading is very important in addition to book as to be the matter. Book is important thing to include you knowledge, except your personal teacher or lecturer. You discover good news or update with regards to something by book. A substantial number of sorts of books that can you choose to adopt be your object. One

of them is actually Who Cut the Cheese? (Doctor Proctor's Fart Powder).
