Europe Arise: Europe in Flames Cause and Solution By Michael Walsh

The conspiracy to flood Europe with aliens began with non-white immigration in 1945. In this War against Whites anti-White racism blames ethnic-Europeans for their part in history whilst promoting non-White cultures. Racist media degrades ethnic-European culture, values and Christian religions. Whites alone are coerced into believing their ethnicity shameful and inferior. European children are brainwashed to accept the Marxist mantra of equality; their being less equal to others whilst religions and cultures of non-Whites are promoted. Ethnic-Europeans are singled out for ethnic cleansing by anti-White construct; laws to prevent criticism, family reduction and social dissolution through race-mixing. Media mocks pro-European sentiment and resistance and distracts with trivia. Europeans are brainwashed to accept an inferior status,, are guilty by race, and must compensate by adopting inferior status. Europeans are now victims of anti-White racism in pro-race-mixing media, the popular culture, and in education and job prospects. EUROPE ARISE is a 5-minute to midnight wake up call for proud ethnic Europeans everywhere. Now join the resistance.

Editorial Review

About the Author

Michael Walsh is an international Irish national; journalist, broadcaster, author and poet. Born into a literary family, his father, Patrick was battlefield associate of American war correspondent Ernest Hemingway. Michael's mother, Kathleen, who also mentored his writing skills, was a friend of Dolores Ibarruri, Spain's Civil War revolutionary La Pasionaria. Unsurprisingly, the flames of rebellion flicker through Michael's blood. With 48 years of frontline political action under his belt there are few social reformers better placed to offer advice for a solution to the self-inflicted refugee crisis gripping Western Europe. 'If there is to be revolution,' he says; "I pray to God that it is a peaceful revolution of change and that ethnic-European culture and values can be returned and secured for all time.
