“Students and teachers need accessible ways to talk about and use grammar. In Gretchen's trademark style, she gets these ever-important conversations started and keeps them going. This book is a keeper.”

“Gretchen Bernabei is a force as a teacher and an important mentor for using grammar instruction to help students become better writers. Gretchen has always bridged teaching the mechanics of language with authentic reading and writing because, as she says in this practical, straightforward book, ‘We only have time for the best authors, the best poetry, the best ways of living, the best ways to learn the most valuable things.’ . . . This is a smart book to add to your collection of professional resources.”
(PENNY KITTLE, author of *Write Beside Them* and *Book Love* 2015-01-02)

“Gretchen Bernabei presents teachers with a buffet of concrete strategies to help student tackle grammar within the context of their own writing. *Grammar Keepers* provides teachers and their students with easy-to-follow, step-by-step recipes ranging from the simple concepts of grammar to more advanced structural understanding of writer's craft.”
(TIM MARTINDELL, Ed.D, President, Texas Council of Teachers of English Language Arts 2015-01-02)
