How to Train Your Dom in Five Easy Steps By Josephine Myles

Sometimes the little head really does know best.

Jeff White's needs are simple. All he wants is a submissive to help him explore the dominant side that his ex-girlfriend couldn't handle. Problem is, inexperience in both dating and domming has resulted in a string of rejections.

What he needs is an experienced sub willing to show him the ins and outs of controlling a scene. Unfortunately, the only one willing to take him on is male, and Jeff is straight. One hundred percent, never-gonna-happen straight.

Easygoing pain Slut Eddie Powell doesn't care that Jeff is younger, working class, and shorter. Eddie likes a bit of rough, and Jeff fits the bill perfectly. The trick will be convincing him to follow Eddie's five-step training programme—which would be easy if Eddie wasn't starting to have feelings for the rough-around-the-edges landscaper.

Once Jeff lays his hands on Eddie, things definitely get out of hand. But it'll take more than hot, sweaty, kinky sex to persuade him to come out of the closet—especially to himself.

Warning: Contains a happy sub, a confused Dom, a high ratio of sex to plot, misuse of root ginger, and a suitcase of kink. Written in Jo's usual exceedingly "English" English.
