Sara and the Foreverness of Friends of a Feather By Jerry Hicks, Esther Hicks

Sara and the Foreverness of Friends of a Feather is a novel about a young girl, Sara, who learns about life through a wise owl named Solomon.

Readers will understand how they, too, can become the magnificent creators they were born to be and that all really is in divine order ... all really is well.

When Sara comes to this knowing, she asks her wise mentor, Solomon, how ever will I ever explain this to anybody? How will I ever make them understand? And Solomon speaks to all of us as he answers, Sara that is not your work. It is enough, Sweet Girl, that you understand.

About the Author

Excited about the clarity and practicality of the translated word from abraham, Jerry and Esther Hicks began, in 1986, disclosing their Abraham experience to a handful of close business associates. Then, recognizing the practical results being received by those persons who began plying Abraham with meaningful personal questions regarding their finances, bodily conditions, and relationships...the Hickses made a conscious decision to allow Abrahams teachings to become available to an ever widening circle of seekers. And that circle continues to expand even as you read this page.

Jerry and Esther have now published more than 380 Abraham-Hicks books, cassettes and videos, and have been presenting open group interactive workshops in as many as 59 cities a year to those who gather to participate in this progressive stream of thought.

Although worldwide attention has been given by leading edge thinkers to this "Science of Deliberate Creation" who, in turn, incorporate many of Abrahams concepts into their books, lectures, sermons, screenplays and scripts, the primary spread of this material has been from person to person as individuals begin to discover the value of these materials in their practical, personal experience.

Abraham, a group of obviously evolved teachers, speak their broader Nonphysical perspective through the physical apparatus of Esther. Speaking to our level of comprehension, from their present moment to our now, through a series of loving, allowing, brilliant yet comprehensively simple, recordings in print and in sound they guide us to a clear connection with our Inner Being they guide us to self-upliftment from our Total Self.
