The New Handbook of Organizational Communication: Advances in Theory, Research, and Methods From Brand: SAGE Publications, Inc

Organizational communication as a discipline grew tremendously over the latter part of the twentieth century, but accompanying that growth has been a struggle to establish a clear identity for the field. The ongoing evolution of complex organizations in an equally complex global environment has scholars continuing to define and redefine the focus, boundaries, and future of the field. **The New Handbook of Organizational Communication** is a landmark volume that weaves together the various threads of this interdisciplinary area of scholarship.
