True Viking Saga of the Viking Age: Massacre, Invasion, and Greatness

Viking History, the Viking Age, and Viking Sagas are the most enthralling and captivating historical tales ever recorded. The Viking Warrior Berserker is the most elite and by far the greatest of all Viking Warriors. They have invaded England's shores on the Holy Island of Lindisfarne. The first order of business is the massacre, looting, and enslavement of the island.

This is one of five stories in Adrian Ambrose's upcoming second volume of Fierce & Ruthless Warriors that Shaped History. The first volume is available on the author's Amazon page (which can be found by clicking the author's name above this description) for only \$2.99 and includes the greatest moments of history's most elite forces; the Viking Berserkers, the Viking Varangian Guard, Islam's Fida'i assassins, the Ancient Aztec Eagle warriors, and Ancient Hawaii's Koa Warriors.

Follow Adrian Ambrose as he details, in his trademark exciting narrative style, this true Viking Saga that ends in one great man's stand against an army of 15,000 on a narrow bridge. This is truly one of history's greatest moments.
