Editorial Review

From School Library Journal

Grade 7 Up—This story combines two issues of *X-Men* and two of *Black Panther*. It seems that someone is mutating wild animals in the African region of Nigand, and the X-Men must investigate. Black Panther, a popular but usually elusive Marvel character who makes his home in Africa, is also investigating the strange happenings. Storm accompanies the X-Men and the sparks fly between her and Black Panther. The X-Men team is unusually bumbling in this volume; still, the plot keeps moving. Throw in an evil scientist who wants to take over the world and his übersmart talking apes and you have a clichéd story that is still enjoyable. The romantic tension between Storm and Black Panther is sealed with a kiss on the last page. The possibility of a future story arc involving these two characters adds to the appeal of *Wild Kingdom.–Melissa T. Jenvey, New York Public Library*

From reader reviews:

James Senters:

Do you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try to pick one book that you just dont know the inside because don't determine book by its handle may doesn't work at this point is difficult job because you are frightened that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer may be X-Men/Black Panther: Wild Kingdom why because the amazing cover that make you consider in regards to the content will not disappoint you actually. The inside or content is definitely fantastic as the outside or maybe cover. Your reading 6th sense will directly guide you to pick up this book.

Helen Elder:

This X-Men/Black Panther: Wild Kingdom is great publication for you because the content which is full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it information accurately using great plan word or we can declare no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with splendid delivering sentences. Having X-Men/Black Panther: Wild Kingdom in your hand like getting the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen moment right but this e-book already do that. So , this can be good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Cheryl Cooley:

Is it a person who having spare time in that case spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This X-Men/Black Panther: Wild Kingdom

can be the solution, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Jenny Perez:

That e-book can make you to feel relax. This particular book X-Men/Black Panther: Wild Kingdom was vibrant and of course has pictures around. As we know that book X-Men/Black Panther: Wild Kingdom has many kinds or type. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think that you are the character on there. Therefore, not at all of book are generally make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading which.
